Re: Letter of Gratitude

Sicathulangolwazi Project team located at Inanda Day Primary School would like to express our sincerest gratitude to Anchor of Hope Africa for your generous donations of books, stationary, office materials, toys, popcorn, and lots more that was taken to Inanda Day primary School as well as the cot bed, toys and chairs that were donated to Buyezubhle Creche based in Inanda on the 12/12/2023.

We highly appreciate this kind gestures from your organisation and have no doubt that this will go a long way to improving the education of our children.

All the best in your future endeavours.
