## DAY CARE CRECHE

**Our children, our future**

ANCHOR OF HOPE AFRICA

Dear Sir/Madam

Let me take this opportunity to express thanks to Anchor Of Hope Africa with all the hard work and dedication shown towards our crèche.

Anchor Of Hope has done so much in our centre and so many changes and development has occurred since they have been with us, since Covid 19 Pandemic.

Developments done by Anchor Of Hope:

- Since Covid our centre has been feeding the community together with the learners of our crèche since the schools were closed due to the pandemic they provided fresh cooked meals every Tuesdays and Fridays.
- When time went on they provided vegetables and groceries and we as the staff started to cook for the community.
- Anchor of Hope had a Mandela Day Event where garden tools were given to the crèche
- We had grannies to knit and sew
- Vegetables were planted in our garden
- Refreshment were served to the community
- 2 Wendy huts were donated to us from Anchor Of Hope a sick bay and a storeroom
- They also donated a park home which is a community centre and library
- A jungle gym, sand pit, electricity was installed in our library, educational resources from The Sharks
- Tippy Taps, painting of Jungle Gyms was also done by Anchor of Hope

We also had a campaign called KUCULULA whereby the children of our community had to clean our road and pick up litter. They provided refuse bags for the campaign. Anchor Of Hope had a great impact in growing our centre. And for graduation

\* They also provided volunteers to educate our learners.

\* Educational toys and clothes were donated to the children and staff.

\* Every Tuesdays we receive sandwiches to feed the community and our learners .

There is so much that Anchor Of Hope is doing for our creche, and we are blessed to have such an helpful organization at our centre, and also library books were donated.

Thanking you

Yours Faithfully
