We are committed to being an innovative hub of quality teaching and learning that produces learners developed to exploit opportunities for life-learning.

13 December 2023

Nine years ago, when Shine Literacy first entered Clayton Primary, Anthea's efficient leadership transformed the school dynamics. The organization became a responsive voice, addressing pleas for help and implementing tailored programs for learners. Through workshops, parents, educators, and community members were educated on the significance of the Literacy program. The one-on-one reading initiative with volunteers made learners feel supported, akin to having a second loving parent dedicated to improving their basic reading skills.

Shine Literacy, true to its name, took proactive steps, including a library project, to extend education beyond classroom walls. Anthea deserves commendation for her unwavering dedication and service to the organization, leading volunteers with a pure heart. Clayton Primary expresses profound gratitude to Africa's Anchor of Hope which was established in 2018 for its years of service, contributing to the positive transformation of the school.

Kind regards
Yeena Mahoraj
Intermediate phase department head.
